

Viro Core Collections 2009

www.virofiber.com

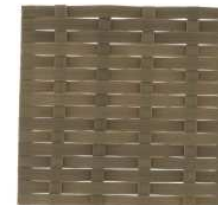

some of our designer work under tight, demanding deadlines. In an effort to accommodate their needs, Viro's New Core Collection was created. It assures orders to be filled completely and shipped quickly, to meet tight time lines with uncompromising quality assurance. The wide range of style and colors, gives plenty of choices for creating longlasting quality designs. The next time you're crunched for time, but can't compromise on quality, look to Viro fibers for all-weather wicker solutions that deliver.
